

indigita is a RegTech company created to solve the problems facing banks and financial advisers with international business when it comes to cross border compliance. indigita has developed innovative solutions to face new regulatory challenges and be a pioneer in digitalized regulatory data production and distribution.

To strengthen our team in Zurich, we are looking for a:

## Senior Frontend Developer

After an introduction into our application portfolio and our development environment you will join the development project focusing on IT and regulatory aspects. This is an outstanding opportunity to participate in the development of a new and innovative business.

### Your responsibilities

- Develop new user interface and features of a unique RegTech solution in the banking sector
- Ensure the technical feasibility of UI/UX designs
- Provide strategic recommendations for design implementation
- Translate designs and wire-frames into high quality code
- Work with the Team Leader to evaluate changes and enhance the solution
- Collaborate with the Product Owner on the product backlog

### Your qualifications

#### Frontend

- At least 7 years' experience in Frontend development
- Angular 7 (or at least 2+) and React/Vue.js experience
- NgRx experience
- Frontend knowledge – HTML, CSS, JavaScript, UI/UX (would be nice with ergonomics)
- Testing experience
- Experience with OAUTH2
- Responsive design

#### Backend (nice to have)

- Basic knowledge of API with REST interfaces
- JAVA and Spring/Spring Boot
- MongoDB and SQL

#### General

- University degree in IT engineering
- Excellent interpersonal and communication skills with a very good command of written and spoken English
- Eligibility to work in Switzerland

**We offer you** a unique opportunity to be a part of a fast growing and dynamic RegTech company. Diverse and challenging tasks, possibilities to develop multi-disciplinary IT / business skills, training path and a competitive compensation package await you at indigita. If you are interested in a new challenge within a young and very motivated team, please send your complete application to [career@indigita.ch](mailto:career@indigita.ch).
